

"As in all the churches of the
holy ones, women should keep
silent in the churches,

for they are not allowed to speak, but should be subordinate, as even the law says.
But if they want to learn anything, they should ask their husbands at home.

For it is improper for a woman
to speak in the church."

*(St. Paul, as inspired by the Holy Spirit,
in 1 Cor. 14:33-35)*

Jesus Christ is the same yesterday, today, and forever. (HEB 13:8)
